

## **Nominations for Women Scientists/Social Scientist/Social Worker Awards - 2019**

The Uttarakhand Science Education and Research Centre (USERC) under Department of Science and Technology, Government of Uttarakhand, invites nominations of women scientists/Social Scientist/Social Workers in the state of Uttarakhand for their significant achievements in any field of science, teaching, social science, society, medical and agriculture. Nominations are invited from Head of the Institutions or desired candidate can also apply directly through proper channel. The candidates should be engaged in basic and applied research that has application for product and technology development and/or a demonstrated ability to benefit the communities/or outstanding publications/performance in research, teaching and agriculture. The awards for the year 2018-19 are in two categories:

- (i) Young Women Scientist/Social worker (below 40 years of age), and
- (ii) Distinguished Scientist/Social worker (above 40 years of age).

The nomination/application must include: a letter of support outlining the basis for the nomination and the significance of the candidate's work; and a brief curriculum vitae for the nominee, including a list of the publications in refereed journals, patents taken and any other contribution. For researcher's reprints of recent five best papers and for others a brief CV highlighting candidate's achievements/contributions should also be appended in a prescribed format.

The awards will be given to those working in Uttarakhand state only. The selection of candidates will be carried out by an expert committee, whose decision will be final. Only selected candidates will be informed. The awards will be presented at a function organized by the USERC.

The last date for receipt of the nominations is 12.02.2019. All the documents for a nomination must be submitted electronically to **iwduserc@gmail.com** and two hard copies should also be sent by registered/speed post in following address.
